

# FAITH FAMILY CHURCH

Dear Friends & Family,

Would you consider partnering with my local church and myself to help create an alternative atmosphere for Halloween?

Faith Family Church has been hosting "Trunk or Treat" since 2011, and we are excited to announce that the new Home Depot off I95 and Hypoluxo Rd. has generously allowed us to hold our free event in a section of their parking lot. The vision of Trunk or Treat is to offer families a safe and fun night of midway carnival games, a blow-up slide, themed trunks, thousands of pounds of free candy, free pizza donated by Little Caesar's, free hot dogs, and more. All of this is completely Free to the community!

With an expected turnout of over 1000 people, our biggest need is candy. If this is something that you can give towards, please click the link below.

We thank you for your generosity and partnership in helping us reach our community with the hope of Jesus, through the local church. This year, we are excited to announce that we will have a prayer tent where we can offer prayer for people, throughout the event. We believe that God is going to do amazing things for the families in the surrounding communities.

Kindly,

## **Faith Family Church**

Connecting People to Christ Through Community, since 1997!
